## **FULL-TIME FACULTY POSITIONS**

Nationally recognized, globally connected and locally focused, Lone Star College is the largest college or University in Houston and one of the fastest growing community colleges in the United States. With more than 80,000 credit students each semester and a total enrollment of 95,000, Lone Star College is committed to student success and credential completion. LSC adds \$3.1 billion to the local and regional economy by providing educational opportunities across the north Houston region.
